Products specified to CAL 133 do not meet Healthier Hospitals requirements.

Furniture described herein meets the Healthy Interiors goal of the Safer Chemicals Challenge according to the manufacturer. Practice Greenhealth does not verify this information. Keilhauer works with suppliers and through 3rd party assessment to determine whether product offerings comply with the chemical requirements of Healthier Hospitals Version 2.0. Customers are responsible for verifying compliance of COL/COM fabrics.

Please contact [sustainability@keilhauer.com](mailto:sustainability@keilhauer.com) for more information on upholstery options and to inquire about compliancy of product offerings not listed above.
